WELCOME

Welcome to the world of Neutral®. It's a place where we believe it's okay to make certified clothing. There are so many good stories to share and we try to do just that throughout this catalogue. Being sustainable is okay. Certified okay!

NEUTRAL® 2022

This year, we developed a new Beanie, a new pair of Sweatpants and one new Mélange colour - Ash Grey. And of course added a lot of extra colours to our existing products.

Most importantly of all, we are delighted to launch a new concept that we have been working on for five years: Tiger Cotton®. It's about helping the cotton farmers change from conventional to organic cotton. Go to page 15 for the full introduction.

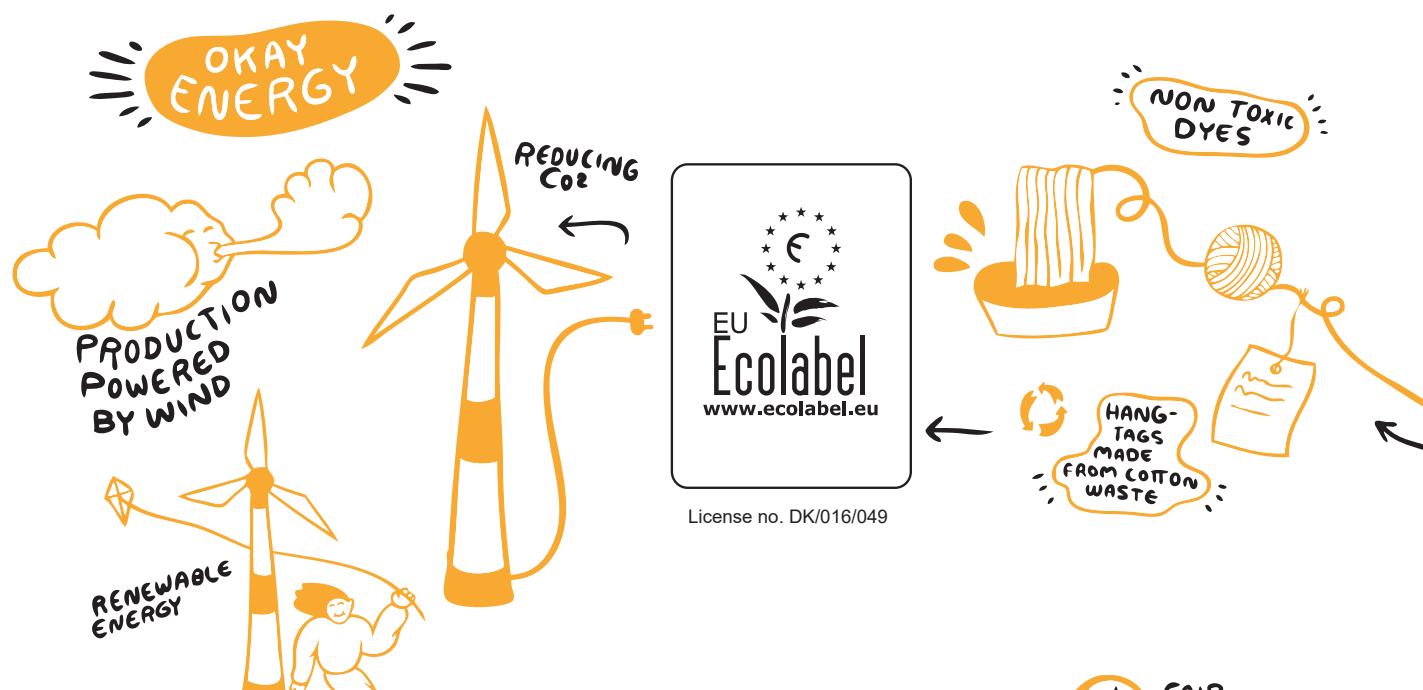

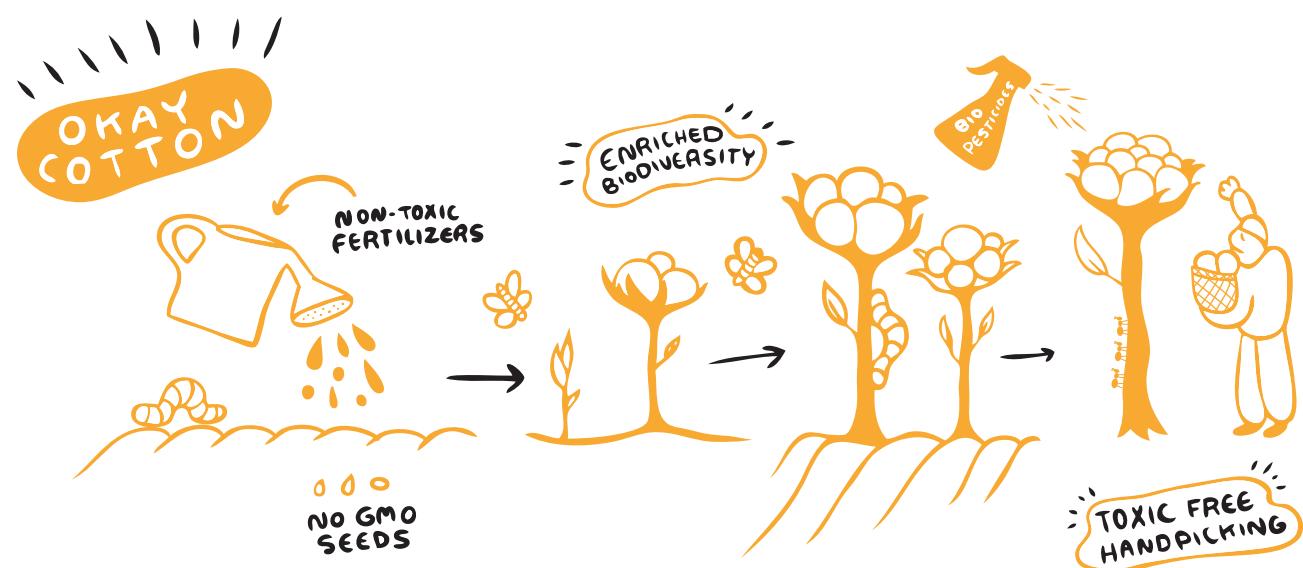

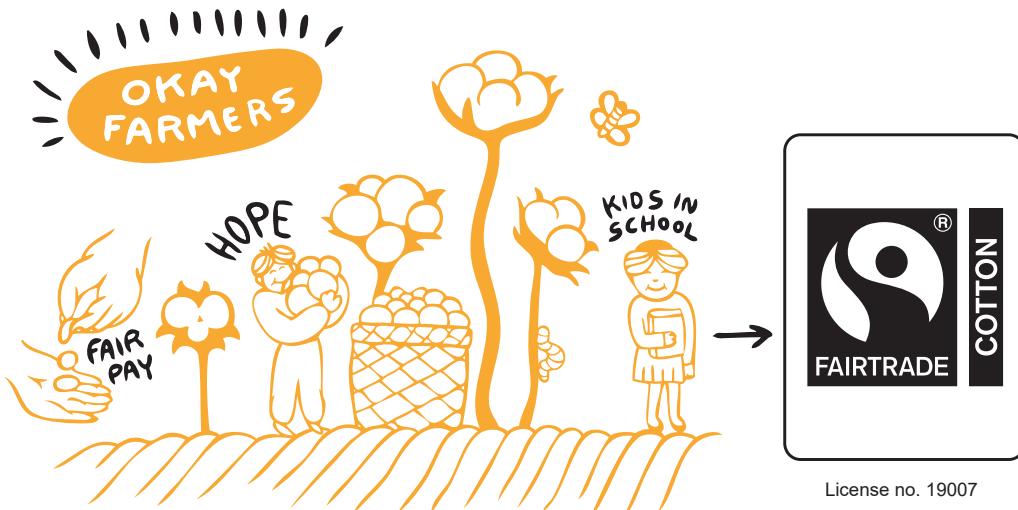

CERTIFIED RESPONSIBILITY™

Making sustainable clothing can be tricky. But with certificates, it doesn't have to be. They guide us through the supply chain, from cotton field to final product, telling us what's okay. That's why our certificates are more than just funky looking stamps. They are your guarantee that Neutral® products are made according to the highest standards in the world.

FROM OKAY COTTON

To OKAY T-SHIRT!

CERTIFIED RESPONSIBILITY™

GOTS

Neutral® products are made from 100% organic cotton certified by GOTS. It's biological fertilizers and earthworms instead of chemicals, cleaner rivers and groundwater, enriched biodiversity and toxic free handpicking by the farmers.

License no. 19007

FAIRTRADE

Fairtrade isn't charity. It's an okay way to trade. Farmers growing Neutral® cotton receive a fair price for their crops. With the Fairtrade minimum price and Fairtrade Premium, they can invest in better tools or send their kids to school.

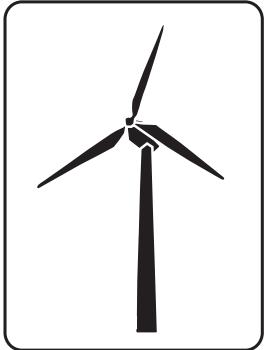

License no. DK/016/049

EU ECOLABEL

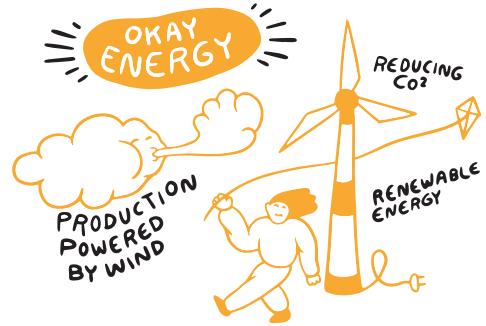

We treat and reuse wastewater and reduce and recycle waste. We only use the most environmentally friendly dyes and continuously innovate the way we make clothing. All according to the highest industry requirements demanded by the EU Ecolabel.

NEUTRAL® RESPONSIBILITY

Instead of using conventional energy Neutral® products are manufactured using renewable energy. That way, Neutral® Responsibility helps reduce CO2 and is beneficial for both local environment and global climate.

SA8000

Factory workers are hardworking people. It's okay when they have good, safe working conditions. By using SA8000, the highest international labour standard, we know that's the case.

License no. ZHGO 034436

OEKO-TEX

Oeko-Tex screens your finished product for hazardous chemicals and any other harmful substances. That way, Oeko-Tex becomes your final okay stamp and guarantee. Neutral® clothing is clean and ready to wear. No need to wash, just 100% okay!

INTRODUCING TIGER COTTON®

A NEW LABEL FREE COLLECTION BY NEUTRAL®

Tiger Cotton® has been five years on the way. Now it's finally here! To protect the biodiversity, people and planet Tiger Cotton® works to convert conventional cotton farming to organic. High quality label free basic wear made by 100% organic in conversion cotton and certified EU Ecolabel, SA8000, GOTS In Conversion and Oeko-Tex.

WHY TIGERS? The first Tiger Cotton® farmers lived and worked side by side with the great Bengal Tiger in Madhya Pradesh, India. Tiger Cotton® is named after them and the tiger is a symbol of all the biodiversity and wildlife that regenerate when a conventional farmer converts into organic. It started out as a pilot project in collaboration with WWF India and has now grown into a full scale product-line converting farmers all over India. **That's okay!**

NOTE:

Go to page 18, 56, 59, 61 and 106 for our available Tiger Cotton® styles.
Colours are limited to **Black, White, Sp.Grey, Nature and Navy.**

OKAY FACT #6

SMART FARMING

Organic cotton doesn't need harmful chemicals to grow. It uses less water. And it leaves room for small creatures like worms and beetles, improving soil quality. Finally, it saves farmers and their families from pesticide related diseases.
